Every year Finance Monthly Deal Maker Awards recognise and celebrate the most impressive transactions in M&A, capital raising, corporate bonds, infrastructure and project finance, equities and restructuring and celebrates excellence in M&A expertise in corporate, private equity, investment banking and legal fields.

Over recent months Finance Monthly's diligent research team and dedicated judging panel have worked tirelessly to assess nomination entries and conduct extensive research involving clients and peers. All of our Deal Maker Awards winners show an insight into the market that proves why the demand for expert deal makers continues to increase year upon year.

Editor-in-chief, Mark Palmer commented: "2016 may not have been as manic as 2015 in regards to M&A transactions, but has nevertheless been an eventful year for those involved in corporate M&A and deal making. Our monthly in-depth coverage of deal activity ensures that we are ideally placed to recognise the leading advisors at the forefront of the global deal market."
